

Coronavirus Update July 26, 2020

Dear Friends and Patrons of Landmark,

Hope all is well with you and yours. We've missed seeing you!

In accordance with CDC guidelines and New York State's phased reopening restrictions we've had to cancel our scheduled shows in the Jeanne Rinsky Theater through December 31. We've been working with the performers and have been able to find new dates in 2021 for all the shows we had to cancel.

With the theater "dark" for the time being, we're using our time to make improvements in the theater and office, clean and sanitize our spaces and develop Covid safety protocols for staff and guests. So we'll be ready to welcome you back as soon as we're permitted to open.

Our fantastic lineup for 2021 includes not only the rescheduled shows, but a host of artists we haven't even announced yet. We'll be putting it all on sale this fall.

But we're not waiting for 2021 to bring you the entertainment you expect from Landmark. We're partnering with community organizations and arts presenters to bring you virtual events and outdoor performances, much of it free of charge. New events are added on Facebook, Instagram and this website every week. Follow us on Instagram and like us on Facebook as @landmarkonmain

Please continue to support Landmark. Now more than ever, your tax-deductible donation to Landmark makes a real difference in the cultural life of our community. While we understand these are trying times for all, we need your support!

Please [click here](#) to see how you can help.

As an arts organization, we believe in the power of communal experiences. We look forward to returning to our mission as soon as is safely possible. Until then, be well.
