*and William Tracey*

“I’ll Be Seeing You”

*Music by Sammy Fain*

*Lyrics by Irving Kahal*

# ABOUT THE SHOW

We present “Off the Rails” as a radio play with songs and period-style station breaks. The three acts of the play are performed consecutively, with no intermission.

The play is set in the winter of 1942. The characters and events are fictitious; no similarity to actual persons or events is intended.

The sound of a simulated gunshot will be heard during the performance.

## Our Previous Productions

Recordings are available online.

**Murder in Studio 2B.**

**The Man Who Came to Dinner**

**Stage Door**

**Stagecoach**

## Expressive Elocution

Expressive Elocution provides students of all ages arts-integrated workshops and residencies, using theater arts for vocal exploration, expression and empowerment.

A proud co-producer and co-founder of Landmark Radio Theater, Expressive Elocution has programs in schools, libraries and corporations giving all the tools to be heard, be understood and be confident.
